Register for the Vonder dinner before May 17th!

How does the registration process work if you would like to join?

On June 3rd, there will be cooking by and for Vonderkwartier residents!
A starter, main course and dessert will be served. Come and dine with your (new) neighbours at long tables.

The meal costs €12,50 (children also €12,50). As previously indicated, there will also be a French fries stall where children can get free fries: please indicate your choice on the form.

Also please bring your own plate, bowl and cutlery (knife, fork & spoon).

Just fill in the slip, stick it on an envelope and put €12,50 p.p. in there and hand this in before May 17th; after registration you will receive vouchers at the stall on the square for each course (and for the fries). You can exchange them for a fresh, homecooked meal on June 3th.
